Professional Summary

Multilingual tutor and trainer with 10+ years of international teaching and coaching experience across the U.S., China, Armenia, and France. Skilled in English, French, beginner Hebrew, and chess education, with expertise in curriculum design, digital learning tools, and cross-cultural communication. Background in nonprofit training, community engagement, and educational content creation. Passionate about helping students succeed through interactive learning and personal growth.

Professional Experience

Tutor | Mundo Academy — Los Angeles, CA

08/2025 – Present

- Provide English and math tutoring to elementary school students, focusing on phonics, reading comprehension, and foundational math skills
- Track student progress and prepare weekly reports, supporting individualized learning strategies.
- Encourage academic success through positive reinforcement and structured lesson plans
- Improved student performance: among 12 active students, 75% advanced to higher proficiency levels within 3.5 months, including one student who progressed 3 levels, another one who advanced 2 levels under my instruction

Private Tutor (English, French, Hebrew, Chess) | Armenia, China & Online

01/2015 – Present

- Made lesson plans for different individual students and groups and developed a curriculum for my private students
- Taught 500+ students (children, adolescents, and adults) in group and private settings, in-person and online.
- Completed 6-month teaching placement in Beijing, China, and 10-month volunteer placement in France
- Supported international students in English fluency and exam preparation (TOEFL, IELTS)

Website Developer & Digital Learning Designer

05/2018 – Present

- Built and managed educational websites (WordPress), featuring interactive exercises, quizzes, and digital learning content.
- Developed engaging online tools for language and logic training, improving student engagement.
- Currently studying Python to expand digital education capabilities.

Education

Armenian State Pedagogical University, Yerevan

Bachelor's in Museum Science & Preservation of Monuments — 09/2005–06/2009

Key Skills

- Languages: Armenian (native), Russian (fluent), English (fluent), French (advanced), Hebrew (beginner), Spanish (basic)
- Teaching & Training: ESL tutoring, curriculum design, exam prep (TOEFL/IELTS), chess instruction
- Digital Tools: WordPress, educational content creation (videos, quizzes, interactive games), beginner Python
- Other: Grant writing, project coordination, event organization

Community Engagement

- Volunteer, Los Angeles LGBT Center (02/2025 – Present): assist with event coordination, logistics, and guest services; manage bar stands and merchandise purchases; support parking flow and visitor check-in; provide directions and on-site assistance to guests; collaborate with seniors and youth programs; and help with food service and catering operations.
